Control-A-Door Smart is B&D's new top of the range opener, designed to fit seamlessly into your life.

Control-A-Door® Smart's intelligent technology and premium features deliver a better experience than you ever imagined. The inclusion of Smart Phone Control and Safe Lock anti-tamper system provide an exceptional level of security and safety for your garage and gives you total confidence. For complete peace of mind, Control-A-Door® Smart can be fitted with an optional battery backup ensuring operation during a power outage.

Control-A-Door® Smart combines heavy lifting capacity with quiet and reliable operation. It is backed by B&D market leading 10 year warranty.*

Discover your B&D® Smart Automation Solution. ♦

SECURITY tip

Controll-A-Door® Smart comes standard with Safe Lock anti-tamper system that will lock your garage door if an intruder tries to lift it.

TOTAL CONTROL

Open or close your garage door, anytime, anywhere.

CUSTOMISATION

Schedule recurring access, restrict door access time and add multiple users.

GARAGE DOOR BRAND

*Kantar, May 2019

MULTIPLE LAYERS OF PROTECTION

MARKET LEADING SENSING TECHNOLOGY

Your motor is designed to resist forced entry, plus you will get real time alerts through your B&D App if a break-in attempt is detected.

UNIQUE SELF- ENGAGING LOCK

Safe Lock anti-tamper system locks the garage door if an intruder tries to lift it.

AUTO-LOCK COMPATIBLE

B&D smart keyless technology automatically locks your garage door with a heavy duty bolt every time you close it. ^

A smart home starts in the **garage.**

Many families today, enter and exit their home through the garage door, relying on it as the new front door. This is why B&D Controll-A-Door® Smart delivers unrivalled levels of protection for your garage.

Discover how smart technology can make your life easier and more secure.

YOUR SILENT ALARM

Get real time alerts, know who has operated your door and when.

Controll-A-Door® Smart
